

FTUEU (Free Trade Union of Entrepreneurs of Ukraine)

ABOUT FTUEU - FTUEU started its existence in Ukraine after small and medium entrepreneurs joined to protest opposing a Tax Code in November 2010. Since then the FTUEU plays a key role to protect entrepreneurs and self-employed workers' rights both within KVPU (Confederation of Free Trade Unions of Ukraine), and nationwide. FTUEU is also affiliated to The International Department of the KVPU trade union federation.
